

Advisory Committee 2, Synodical Services and Structure II, Rev. Cory Nederveld reporting, presents the following:

I. Response to Overture 57: (*Deferred from 2023*), Require Council of Delegates to Reverse the Process of Members' Taking Exception to the Statement of Agreement

A. Materials

Overture 57, pp 375-78

B. Recommendations

1. That synod encourages Classes (in the case of classically nominated delegates) and the Council of Delegates (in the case of at-large delegates) to be mindful of who they delegate (c.f. COD Handbook 1.2 -- At-Large Members).

Ground: Authority lies with Synod to confirm the nominees which come from the churches and classes.

2. That synod consider this its response to Overture 57.
